Your review and comment on the attached draft FRN notice is appreciated. I will collect comments and coordinate with the SAB. Thanks.

My understanding is that we do not have a target date for the publication of the FRN. Is that correct?

Jeff

panel

Jeff,

Per our phone conversation yesterday, attached is a copy of the SAB Office FR notice requesting nominations of experts to serve on the panel to review ORD's stream and wetland connectivity science synthesis report. This is the same FR notice that was previously sent to you for review.

Publication of this notice is still on hold pending approval from ORD and OW. Please notify us when we have approval to publish the notice. Thanks.

Tom
